## **FAQ'S:**

- 1. WHY IS THERE A PRICE RANGE?:** Most foreign currencies are worth more when they are in perfect condition. Our range is based on the "high range" being perfect and the "low range" being a very poor condition bill.
- 2. HOW LONG WILL THE PROCESS TAKE?:** Once we have your currency the process goes very quickly. We submit an offer within 24 hours and once you approve the offer we typically send a check within 24 hours of your approval. We send our checks Fedex Express and they should arrive within 3 days of shipment.
- 3. WHAT IF I DON'T LIKE THE OFFER?** You have every right to not accept the offer so you can call us to discuss a different price or discuss how we came to that number. If we can't come to an agreed price we will ship your currency back to you.
- 4. HOW DO I KNOW YOU WON'T STEAL MY CURRENCY?** We get this question a lot, so you are protected by the mail fraud laws in the USA. It would be a felony to de-fraud you via the mail. Make sure you have tracking and you will know where your currency is every step of the way. Please research us and you will see not a single complaint about our company. If we were stealing people currency it would be everywhere on the internet.

**IF YOU HAVE FURTHER QUESTIONS WE DID NOT ANSWER PLEASE DON'T HESITATE TO CALL
